February 2020*

Dear Representatives Matsui, Bera, Garamendi:

As organizations representing your constituents, we urge you to co-sponsor H.R. 2407, the "Promoting Human Rights for Palestinian Children Living Under Israeli Military Occupation Act."

H.R 2407 would prohibit U.S. funds from being used to support the military detention and ill treatment of children by any country, including Israel. Israel is specifically mentioned because of its well-documented widespread, systematic ill-treatment of Palestinian children detained and imprisoned under its military and political systems.

We do not want our tax dollars to be used to harm Palestinian children or any children. Please support the rights of children and co-sponsor H.R 2407.

Sincerely,
